

# SHIFTING GEARS

## From Employee to Founder A 2-Day BootCamp for Activating BIG Ideas

**The job market is in shambles.**  
The outplacement firms are swamped.  
And you no longer have the excuse that  
“the big corporate job offers more security.”  
In this environment where **innovation has  
become the only reliable life-support  
system**, there has never been a better time  
to finally venture out on your own and let  
your **game-changing business ideas** pave  
the way to real entrepreneurial freedom.
